

Our Website is www.phoenixbusinessconnection.com

Creating a listing after you have Registered.

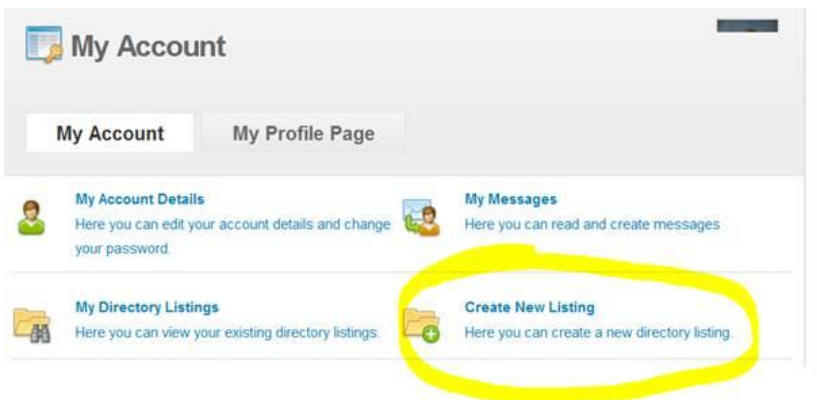

If you are not sure what your username or password is, you may reset it from the login menu – Forgotten Password?

If you do not recall being registered, then go to the second page of this document for information on registering.

Under My Account – Click the Link for Create New Listing:

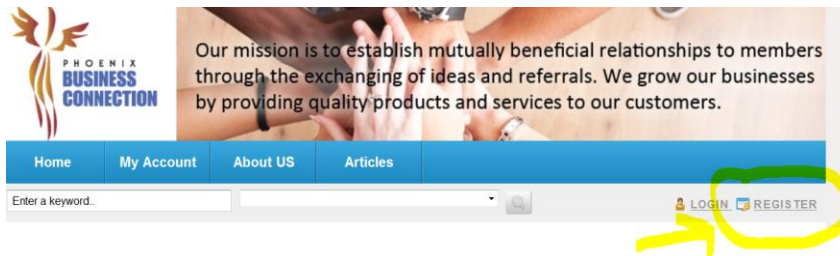

Here is an article that will help you with the process of setting up your listing:

<http://phoenixbusinessconnection.com/article/setting-up-your-listings/>

If you are unsure of anything, just attempt to get at least a listing created and saved. I will check in and do additional clean up on the listing on your behalf.

Registering on the Site

Click the link to Register:

This is to setup your account to manage your listing, keep this information basic as it is not the listing.

You will be sent an email message once your account is active with the step two process. Should be within 24 hours.

If you need assistance:

Please contact Julie Young @ Julie@triyoung.com or phone 602-424-1703 to schedule some time to walk through the process.
